

## News From Your TOWN HALL

The Town Fathers evidently had no very pressing business other than waiting for the Power Company to get the rebuilding of the lines and changes finished, for they did not meet Wednesday night.

**PETE DOOD IT!**  
He came around shortly after the last plane went through the line around Canal Point—and it was one of our own duster planes this one, as testified to by Joe Freedlund and Pete who saw it—and displayed all the Brass Hats of the Company with a lot of promises about what they are doing to the system so that we will not be found without water again.

Well, they have partly come through.  
Two local men, Mr. Pennington, a Town employee, and Mr. Blank, the Company's man here are both set to dash madly to the plant next to Lawrence Will's and get it going within fifteen minutes after receiving notice of the necessity for it. Both these men have the experience and authority to proceed immediately to the station, pull one switch from the ground, crank the old diesel and the water works has juice.

There are two wells, both in good shape, each with a pump or keeping Old Betty creaking in addition to the Town water system is connected. Then too, there is a storage tank for priming purposes.

The two local men are to check the plant periodically under the Town's supervision to see that it is ready at all times to function. So, it seems that a bit of common sense has prevailed in this case and the WATER WORKS WILL HAVE POWER ON FIFTEEN MINUTES NOTICE FROM THE TOWN FATHERS.

The work is in progress—I saw it myself—whereby Pahokee and Belle Glade's business sections will have power from the Pahokee plant within thirty minutes.  
Switches are being installed so that they can be operated from the ground by local men, and NOT WAIT FOR SOME LINEMAN OR A MEMBER OF THE UNION TO MAKE UP HIS MIND TO COME FROM PAHOKEE.

Again, common sense and expediency seem to have ruled the action and arrangements.

Other improvements are in progress—I saw them too—and we will tell you about them next week.

**Sale of Large Tract Of Glades Lands To Developers Reported**

C. A. Bailey, local real estate broker, participated in the "largest sale" of Everglades land since the boom in the sale of 25,000 acres of land to a Puerto Rico distillery firm, as was disclosed with the filing of the papers.  
The Grand Realty Co. and Lillian Jeffries as owners, along with the State of Florida, are the sellers.

The land begins at the Boles Canal, just three and a half miles from Belle Glade and borders State Road No. 26 for several miles near the first bend in the road south of South Bay.

The making of rum and sugar is indicated as the main function of the company, though it is reported that immediate improvement is anticipated with vegetables playing a part in the first operations.

Other operators of the land are the south of the area is purchasing large tracts and it is expected that more will become interested.

## Activities of Glades

To Be Broadcast Over WJNO From Fields

"Behind the Scenes of Palm Beach County" is the title of a continuous weekly program over WJNO originating in the packing houses and fields in the Everglades, according to an announcement of the J. C. Furniture Company, who are the sponsors.

Radio reporters are busy now in the Glades gathering the information and planning the broadcasts which will begin at the Experiment Station on Thursday, February 3, at 7:30 to 8:00 p. m. and will include the Blue Goose Packing House, later on the subject of potatoes, the Wedgworth Packing House on celery, the U. S. Sugar Corporation's operations and miscellaneous vegetables at other broadcasts.

The announcers are supposed to broadcast from the fields which should make an interesting program for the uninitiated.

## Recruiting Parade Here Sunday With Ranking Officers

Major Gen. Earnest Scott, retired, will be flown to Belle Glade Sunday afternoon by Maj. Robbins of the CAP to deliver the address to the committee and Palm Beach troop of CAP Cadets numbering 150, the Belle Glade and Pahokee Cadet Companies consisting of approximately 100 high school students.

Eight to ten planes of the Palm Beach squadron will be in a caravan to Belle Glade, among whom will be one of General Scott's two flying sons.

The Pahokee band will lead the parade from the center of town to the airport where the ceremonies will take place and the public is invited to attend.

The purpose of this jamboree is to encourage the enlistment of Glades persons in the CAP Cadet Corps.

Classes will begin next week in the schools of the Glades in meteorology, navigation and code, and Thursday afternoon will be taken up with military drill, guard duty.

A class for older persons will be organized to take the class room as well as flying instruction courses.

The following is a list of Cadets from the Glades:

ANDREY BEST, Walter Cobb, Steve Roberts, Jr., Elmer Kirkham, William Connors, Ray Plunk, Clayton, George Ashley, George Wedgworth, Betty Richmond, Tammie Hobbs, Betty James Greer, Alvin Greer, Edmaria, Marian Mutha, Rayford Hall, Zelma Akai, Beverly Lutz, Charles Greer, Cornel Pike, Mary K. Knight, Edna Murrell, King, Louise Hollingsworth, Mayne Nell Cook, Ruth Mackey, Margaret Moore, Gene Babin, Mary Louise Mitchell, Barbara Wilkerson.

**PAHOKEE**  
Charles Wilkerson, Jack Dawson, Charles R. Bordeaux, Donnal Hitchcock, Lester Hatten, Basil Todd, Sammie Jean McCoy, Imogene Hough, Irene Schockford, Margaret Anderson, Jack Rush, Frank Handley, Laron Bartelcher, James McCall, Milton Carpenter, John Hatten, Walter Kautz, Jack Cobb, Juanita Wade, Catherine Funderbuck, Mary Ruth Wilson, Edna Cowart, Nina Ruth Barwick, Marie Johnson, Nancy Lou Brewton, Nancy Stevens, Royald Padgett, Della Wilson, Ronald Stanley, Gene Waits, Betty Gnat, Betty Lou Pickett, Nancy Elizabeth Crocker, Jackie Henry, James Smith, Thomas Dieken, Gloria Humphries, Helen Cobb, Charles Hickerson, Elaine Baker.

**AUDITORS NEEDED TO CHECK INCOME TAX RECORDS**

If you are an accountant with two years of responsible paid accounting experience or education you may apply for a job paying you \$24.53 per year. If you have had three years of progressive experience in tax, public or insurance accounting, you may apply for a job paying you \$31.63.

The Bureau of Internal Revenue wants 500 persons to help check these tax records; go to your postoffice for an application.

## Unfair, Unreasonable Undemocratic, Nerts, Law By Bureaucrats

A Few of the Printable Reactions to One of OPA Lawyers Discussion

Someone has accused the OPA of having so many lawyers cluttering up its logical reasoning department that a practicing lawyer has trouble wending its way around headquarters, let alone getting outside and into laws of the land now known as "regulations."

The Glades has been treated to a hearing and listening to one of the brass hat lawyers which has moulded an opinion of OPA that reaches further than the opinion of the legislator quoted above; they now sympathize with the legislator authoring that statement. The Glades visitor moulded and increased a disrespect for our Federal Governmental bureaus that is not healthy any time particularly in war time, and most particularly on the eve of a War Bond Drive.

Commissioner Mayo who suffered through the man's vulgar display of ignorance of his subject said later "this undemocratic, unreasonable, unworkable and foolish must be changed. We must all get behind this recently created Agricultural Committee and see that someone with the power to do so, issues orders that will be obeyed."

One visitor challenged the dependency to be put in anything what ever the OPA has said or will say and the brilliant and smooth lawyer, according to reports, sputtered an inaudible reply with a long dog expression. He even admitted that the regulation was unfair but didn't know what could be done about it—a laudable admission from one of the brass hats of the high brackets.

The OPA said no packing operator could act also as a farmer's broker and also issued several ceiling prices. They said a broker should get more for a hamper of beans than a farmer could.

All this has been revealed, it is reported, so we still don't know anything.

## Local Representatives On Resources Body Are Showing Activity

Directors for the year 1944, including Jos. F. Freedlund of Belle Glade, were seated at the annual meeting of the Palm Beach County Resources Development Board on Friday, January 14.

Based on the fact that the Board has been functioning only two months, most of the county-wide committee have the foundation for the year's work well under way, and preliminary reports were filed by the Roads and Highways Committee, on which Mr. J. H. Chambers, services, the Industrial committee of which Mr. A. E. Kirkham and Mr. C. A. Bailey are members.

## THEY COULD AFFORD A LITTLE EXTRA ... CAN'T YOU?

**The Fourth War Loan has begun**  
Your Government wants you to support this loan by buying at least one extra \$100 Bond.  
You may not find it easy to spare an extra \$100. But—  
If the men in our armed forces can afford to give their limbs and lives—then certainly you can afford to lend at least \$100... or \$200... or even \$500.  
Be a good American—buy extra Bonds RIGHT NOW!

## Let's all BACK THE ATTACK!

**Leatherneck Raiders Attack Torokina**

A group of Marine Raiders crouch in the dense jungle undergrowth shortly after landing on the beach at Torokina in the Bougainville campaign. Camouflaged helmets and sails make it difficult for enemy planes and snipers to spot the jungle-fighting Soldiers of the Sea.

## State Gas Tax Not Deductible

John L. Fals, Collector of Internal Revenue, announced today that the Florida State gas deduction for income tax purposes. This is a recent ruling of the Treasury Department and is based on a decision by the Supreme Court of Florida in the case of the United States versus J. M. Lee, in which the court ruled that the tax was not deductible.

## Chiff Livingston Says "Save That Old Paper"

C. C. (Chiff) Livingston has accepted the Chairmanship of the paper salvage drive and will cooperate with the school children, Boy Scouts and other similar organizations in the collection, shipping and sale of the paper.

The tentative plan is for the school children to collect the papers at the homes; that is the newspapers and magazines—and bring them to school two days per week where the papers will be sorted and shipped.

## Captured 88 Howitzer And A Fighter Plane To Visit Belle Glade

**War Bond Drive Exhibit Will Be Here Friday At Ten With Service Folks**

A captured 88 mm German Howitzer, a captured German Messerschmitt fighter plane and an exhibit of American small arms being used in the second World War will be exhibited in Belle Glade at the School house from 10:00 a. m. till 11 a. m. and at the corner between A and Main street from 11:15 to 12:15 on Friday, January 28th, according to Milner Campbell, Chairman of the local War Finance Committee.

This exhibit which is made available by the U. S. Army Fourth Service Command, Atlanta, and was brought to Florida for approximately 70 towns and cities in three weeks beginning Monday, January 24, in Green Cove Springs and ending Saturday, February 12, at Tallahassee, as announced by W. W. McEachern of St. Petersburg, Chairman of the Florida War Finance Committee.

The tour will be directly in charge of A. P. (Pix) Pierson, of Hastings, Fla., and the Agricultural Division of the Florida War Finance Committee who has just completed a statewide tour for regional conferences for the 4th War Loan in which he traveled more than 3,000 miles and contacted practically every county in Florida.

J. J. Gilliam of Tallahassee, Director of the Florida Patrol will have a patrolman and car escort this exhibit throughout the State.

The citizens of this section are urged to see this interesting display and are reminded that it will be in town one hour, Men, Women, Boys and Girls are invited to see what kind of equipment the enemy is using and come prepared to buy War Bonds to pay for the weapons our men need to defeat the enemy.

An officer of the Women's Army Corps will accompany the show to present the vital need for the enlistment of more and more women in the Army; women to release more and more men who are anxious to carry these weapons over and to use them against our enemies.

The entire student body of the local schools will participate in the tour. The tour will include the purchase of stamps and bonds, as well as to stimulate the purchase of "E" bonds.

The Committee, headed by Milton Campbell, has decided that the efforts of the entire community will be thrown behind the efforts of the school to see that enough E bonds are Continued on page 4

## I Want To Be YOUR SHERIFF

W. Hiram (Hif) Lawrence has formally announced his candidacy for the office of Sheriff of Palm Beach County, subject to the Democratic Primaries, May 2. A former sheriff for seven years and deputy sheriff for eleven years of the County, Lawrence has spent most of his working life in law enforcement work and feels he is well qualified for the office.

Briefly summing up his platform, Lawrence says: "I am running on a platform of past performance as a law enforcement officer of Palm Beach County. My only pledge is that I will do my utmost to make this a good, conscientious sheriff."

Lawrence first became deputy sheriff under the late Sheriff C. (Bob) Baker. For eleven years he served in that capacity. With the passing of Sheriff Baker, Lawrence was appointed to fill a vacancy in the office of Governor David Sholtz. While serving in that position he was elected to a 4-year term for sheriff in 1936. He was defeated by the incumbent in 1940.

A native of Jonesboro, Ga., born August 18, 1895, he came to Palm Beach County in 1919 directly after he was mustered out of the service following the end of World War I.

Married, he is a resident of West Palm Beach and for the past four years has developed a farm on the Loxahatchee River three miles west of Jupiter.

Born a Baptist, he is also a member of the American Legion, Shrine, Scottish Rite, Knight Templars, life member of the Elks, and honorary life member of the Florida State Sheriff's Association. He also is enlisted and in active service with the United States Coast Guard.

## SERVICE MEN who FIGHT and WRITE

Naval Hospital in Illinois for a special nursing course. Upon the successful completion of this training she was assigned to the U. S. Naval Hospital in England, where she is now stationed.

**CPL. JACK RASHLEY**  
Corporal Rashley has just returned to his base at Thomasville, Georgia, after spending a three day leave with his family here.

**CPL. JUNIUS HARRIS**  
Corporal Harris of the Field Artillery Personnel Section at Camp Polk, Louisiana is spending a fourteen day furlough here. He has been awarded a sharpshooter medal for two types of rifle and is also wearing a good conduct ribbon.

**CPL. BILLY TAYLOR**  
Corporal Taylor, son of Mr. and Mrs. George Taylor, writes from Egypt: "Yesterday was Christmas and in a sense it didn't seem much like Christmas. Bronx, N. Y., and was transferred to the Great Lakes."

**MABLE E. RASHLEY, PM3c**  
Mabel, daughter of Mr. and Mrs. J. W. Rashley, enlisted in the WAVES last July and has been assigned to the U. S. Naval Hospital in England. She received her boot training at Hunter College, Bronx, N. Y., and was transferred to the Great Lakes.

just what it means. It means not only the birth of Christ, but it exemplifies the freedom and the right to so many things that we are striving so hard to maintain and protect. At any rate that's the way I feel about it.

"We had some very nice programs over the week end. On Christmas Eve we had Midnight Mass, and it was very beautiful. The next morning (yesterday) we had our services and I enjoyed it very much. In the afternoon we had the heaviest snow that we have ever had in the States. This seems to be a record. The weather is still cold and dry, and it's really good for the crops. We had the jackets before and they were made of heavy leather and lined with duck feather and wool. I will send a picture of myself in them."

"Will close now as I have an invitation to tea over at the 'Inland Camp.'"

**PFC. E. B. PARKINSON**  
"I have been receiving a copy of your paper now for quite some time and am very grateful, (Continued on page 4)

## Social Happenings

NELL SCULLEN, EDITOR

PHONE 44-W

Mrs. and Mrs. Tom Crawford of Macon, Ga., are here to visit their cousin, Mr. and Mrs. J. M. Barron. They were accompanied by J. Kenneth Goodyear and son, John K. Jr., also of Macon.

Mrs. T. W. Dowling, Miss Enell Dowling and Mr. Anna Messersmith of Mexico City, Mexico, are the house guests of Mr. and Mrs. Wiley Milligan.

Mrs. Junius Harris has returned from a six weeks visit to her husband, Cpl. Harris at De-Ridder, La.

Marshall Shelton of Oswatimie, Kan., is here to visit his son-in-law and daughter, Mr. and Mrs. Allen Greer.

Mrs. William D. King has gone to New Orleans, La., to visit her husband, Sgt. King.

Mrs. J. W. Rashley, Rev. J. E. Dillard and Donald Weeks

have gone to Ft. Myers to attend a conference of the First Baptist church and the W. M. U.

Mrs. Cleo Selsing has returned to New York after visiting her brother and sister-in-law, Mr. and Mrs. Carl Cone.

### WCS OFFICERS ARE INSTALLED

Mrs. Herbert D. Beck was re-installed president of the Woman's Society of Christian Service in an installation ceremony conducted at the Community Methodist church by Rev. Jay O. Jamison. Other officers are Mrs. Jack Royals, vice president; Mrs. James Ball, recording secretary; Mrs. Clyde Doolittle, corresponding secretary; Mrs. F. D. Stevens, treasurer; Mrs. Jamison, secretary of social relations; Mrs. Curtis Thompson, publications; Mrs. Hugh Bratley, supplies; Mrs. A. Wallis, spiritual life; Mrs. Geo. Ganos, student work. Mrs. Ganos reported that 35 young people are now enrolled and attend services every Sunday night.

Plans were announced for the next meeting to be a pot luck luncheon held at the home of Mrs. H. H. Wedgworth on January 26.

Mrs. J. R. Neller and Mrs. Ogle Moore were hostesses. Others attending were Mrs. Ralph Freeman, Mrs. Howard Haney, Mrs. Ralph Kidder, Mrs. Mabel Stallard, Mrs. Thomas Breger, Mrs. Tharvold Neilson and Mrs. F. E. Hollingsworth.

### BUSINESS WOMEN HAVE MEETING

"Ignorance and poverty are the causes of a large percentage of disease," said Miss Adelaide Perry in a talk on the topic of health at the regular program meeting of the Business and Professional Women's Club on Tuesday night.

Mrs. J. R. Neller and Mrs. Ogle Moore were hostesses. Others attending were Mrs. Ralph Freeman, Mrs. Howard Haney, Mrs. Ralph Kidder, Mrs. Mabel Stallard, Mrs. Thomas Breger, Mrs. Tharvold Neilson and Mrs. F. E. Hollingsworth.

Mrs. Sara Creech presided over a brief business session urging that all members attend the district meeting to be held in Ft. Lauderdale on January 30.

Milton Campbell, chairman of the 4th War Loan drive and Luther Jones, vice chairman spoke briefly and appointed each member of the club on the War Bond committee, naming Mrs. Ruth Barron, chairman for the club. The meeting was held at the home of Mrs. Ruth Barron with Miss Ruth Peebles and Mrs. Annabelle Melzer colostesses.

Others attending were Mrs. Fay Greer, Mrs. Florence Smith, Mrs. Nell Scullen and Mrs. Mary Pope.

With Joan Carroll, Ruth Warwick, Walter Reed.

**GLAMOUR PLUS**—If you saw Mimi Chandler in her debut role in "Henry Aldrich Swings In" you'll want to see her again in the Paramount musical, "And the Angels Sing" in which she has a leading role with Fred MacMurray, Dorothy Lamour, Betty Hutton and Diana Lynn. Mimi, daughter of U. S. Senator "Happy" Chandler of Kentucky, is a favorite in Washington society.

Plans were announced for the next meeting to be a pot luck luncheon held at the home of Mrs. H. H. Wedgworth on January 26.

Mrs. J. R. Neller and Mrs. Ogle Moore were hostesses. Others attending were Mrs. Ralph Freeman, Mrs. Howard Haney, Mrs. Ralph Kidder, Mrs. Mabel Stallard, Mrs. Thomas Breger, Mrs. Tharvold Neilson and Mrs. F. E. Hollingsworth.

bers, and the Advertising and Publicity committee with representation from Belle Glade by Mr. Luther Jones.  
Negotiations for certain industrial plants were outlined by Manager Blank and plans for a proposed Tropical Fruit Experiment Station were discussed. A letter from Harold Mowery of the State Experimental Station was read.  
A county-wide Airport and Air Terminal committee, which includes Lawrence Hughes of Belle Glade, filed its preliminary report which mentioned an interesting meeting with Grover Loening, pioneer aircraft manufacturer and consultant to the War Production Board on Aviation. Mr. Loening stated that Dade county has no attributes over Palm Beach as a location for future air commerce and air terminals.

R. L. Ray, secretary, discussed a county film in technical development by Harrison Reed for the use of a northern syndicate. This film shows, not only the beauties of the tourist section of the county, but also depicts the vegetable growing, sugar cane industry, and the other phases of our agricultural life.

**Seventh Day Adventist Profit With The Times**  
The Belle Seventh-day Adventist church showed nearly a hundred per cent gain in total titles and offerings for 1943 over 1942. Total receipts for the year were \$10,684.05. "God has richly blessed our people," said Pastor Harlan, "and most of them have been very generous in the giving of titles and offerings." In some cases, the members have returned to the Lord as much as 25 per cent of their net income," he continued. "Seventh-day Adventists practice the titling system, the titles being sent to the conference office where it is redistributed for the support of ministers. Besides the titles, which is used for the support of the gospel ministry, they have been very liberal in offerings to support their world-wide mission program. A sabbath school offering of \$500.00 was given on the last Sabbath of the year as a Christmas gift to missions."

Pastor Harlan has announced his prophetic lecture for Sunday night as "Coming Blackout of Civilization." The sermon will be illustrated on the screen and is based on the twentieth chapter of Revelation.  
**CAPTURED 88**  
(Continued from page 1)  
bought to pay for a fighter plane on a bomber.  
The plan carried out assures a school that qualifies the placing in the plane of a plaque with the inscription and credit to that organization. The former plan of painting the name of the school on the side of the plane didn't prove very permanent, as the crews, when they received a new plane would most likely have some other idea about the name they wanted. So, off would come the original name, and in its stead would go something more to their liking.  
Another plan over way is to have each organization in the community appoint a member or members to contact each member of that organization with the question "Have you bought a bond in the Fourth War Bond Drive" with the hope that each organization will report favorably by February 5th.  
Each merchant will be contacted with the same question as to himself and all employees.  
A house to house canvass will also be held before the drive is over to find stamp books that are not filled.  
**YOU MAY BUY BONDS AT THE LOCAL BANK, THE FEDERAL SAVINGS AND LOAN OFFICE, AND THE POST OFFICE, AS WELL AS THE PICTURE SHOW.**

**CARD OF THANKS**  
We wish to thank our many friends for their thoughtfulness and kind expressions of sympathy during the long illness and death of our son and brother, Reed Collins.  
Mr. and Mrs. Henry Collins and Frances.

**Minimum Wage Scale For Packing House Employees Considered**  
A minimum wage for fruit and vegetable packing and farm products assembling industry will be discussed—not where the vegetables are grown and packed, or processes but in New York City, which is hard to get to and harder to stay in,—on January 26th, 1944.  
The question seems to be whether the recommendations of Industry Committee No. 62—what ever that is—will be okayed or disallowed.  
If you're interested to the point of being there, or having some lawyer there, you'd better communicate with Wage and Hour Division, U. S. Department of Labor, 165 West 46th Street, New York City, on or before January 24th.  
If you know what it's all about, then you're wiser than your reporter.

and magazines will be tied in 100 pound bundles ready to go into a car.  
Scrap or miscellaneous paper will be collected, also, under an arrangement now being worked out, so that housewives are asked to keep paper separate from garbage. Definite plans will be announced next week and collections will be begun.  
The proceeds from the sale of the paper will be distributed between the scouts, the athletic council and the school library fund, the exact percentage of division to be determined.  
Mr. Livingston said:  
"We have just been able to contract the sale of this paper to what he believe is a reliable firm, and so we are going ahead to do Belle Glade's share in the war effort so far as paper is concerned."  
The sale price should allow the organizations who will participate a substantial sum of money, as well as promote the war effort. Thousands of tons of paper is used to make cartridge cases and many other shipping cartons for war material, and we will get the money for the benefit of our children."

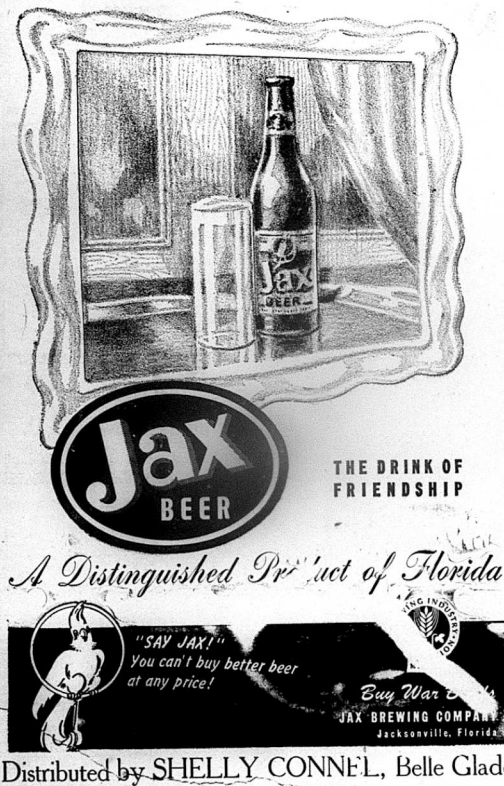

**STATE GAS TAX**  
(Continued from page one)  
ruled that the Florida gasoline tax is imposed on the dealer and not on the consumer.  
Under federal statute a sales tax levied on the consumer is a deductible item for income taxes, however the consumer may not deduct taxes which are levied on a dealer, distributor or imported, and credit for the Florida State gasoline tax should not be claimed as a deduction in their income tax returns.

**It's a Far Cry to Bunker Hill...**  
And we can't fight modern wars with a few muskets and shallow earthworks. Yet that could happen if our production lagged. Without fuel, manpower, transportation and essential materials, fewer munitions will be produced... and our boys on the fighting front reduced to fighting the power of aggression with courage alone.  
We have the easiest job of all... we aren't even asked to sacrifice... we aren't being asked to do without any electricity we need... we are being asked to eliminate waste in using electricity. Turn out unneeded lights... keep refrigerator doors closed... prepare meals which can be cooked all at one time in the oven as much as possible. These and scores of other practical economies are so little for us to practice... multiplied in millions of American homes they mean so much to the boys over there in added weapons of Victory! We can't let them down.

**DON'T WASTE ELECTRIC SERVICE BECAUSE IT IS CHEAP—SOME SOLDIER MAY HAVE TO PAY THE COST!**

(Subject to the Democratic Primaries, Tuesday, May 2.)  
Everyone in West Palm Beach Must Re-register to Participate in the Democratic Primaries. (Paid Political Advertisement.)

**Unrationed Food? Yes, Plenty!**  
In fertile fields and groves along the Florida East Coast Railway, crops are maturing for harvest... golden, sun-ripened fruit, acres of luscious green vegetables... food rich in health-giving vitamins, essential to a nation at war.  
Long freight trains rumble past, over the Florida East Coast Railway, speeding that food to distant markets and military supply depots.  
Today, Florida East Coast growers and shippers are working night and day to produce more of the East Coast's famed winter vegetables: superior juice-laden Indian River oranges and grapefruit, now in greater demand than ever before. Today, too, the men and women of the Florida East Coast Railway are working night and day to provide the maximum of fast, dependable rail transportation for those products.  
Despite shortages in agricultural manpower and equipment, Florida East Coast farm production has increased 23 percent over the previous year, as measured by the tonnage handled by the Florida East Coast Railway, and there is no slackening in effort.  
The men and women of the Florida East Coast Railway are proud of their part in the fast efficient rail distribution of this now vitally needed, vitamin-packed, Florida produced food. It is being transported at the pre-war rate level despite greater costs and manpower shortage.
